

Endowing DMARC

Your support has enabled DMARC to be innovative in ways we couldn't have predicted 10 years ago. Today we are not only able to be more efficient, but we are also able to provide the healthful food that is most needed – especially to children.

You can help DMARC continue this far into the future!

Consider endowing two important programs:

DMARC's FRESH Fund.

Funding will help DMARC to continue to provide fresh fruits and vegetables far into the future to our most vulnerable.

DMARC's Food Pantry Network.

Funding will be utilized to purchase and provide healthy food choices within DMARC's Food Pantry Network supporting low-income individuals and families.

We invite you to invest in DMARC's future. You can help by endowing this work by making a planned gift to DMARC today.

What works for you?

You, your family and your tax advisor are the best ones to make that decision.

But creating a plan to leave a legacy can give you and your loved ones a sense of peace.

Need help? DMARC can help you and your advisors consider ways to leave your legacy.

Planned gifts provide for the future

Planned gifts help DMARC continue its tradition of meeting our community's needs. Whether by convening leaders to discuss important issues, providing support for interfaith dialogue or meeting one of the most basic of human needs – food - through the DMARC Food Party Network, your gift will provide future support to DMARC.

DMARC Legacy Society

Investing in the future of DMARC *automatically* makes you a member of our Legacy Society. As a member, you also have the following benefits:

- Invitation to annual luncheon with the Executive Director.
- Invitations to special events throughout the year.
- Recognition in DMARC publications
- Knowledge that you are supporting your community through one of its most effective and effective local organizations.

DMARC United

Founded in 1952, DMARC is committed to meeting the needs of our community far into the future. And just as when we were founded, we continue our commitment towards meeting our mission in the most efficient and effective way possible.

We are proud to partner with congregations, local businesses, nonprofit organizations, community partners and thousands of individual supporters, **who just like you, are united in the decision to join DMARC in order to meet the needs of our community – efficiently and effectively.**

One of the most efficient and effective ways to support DMARC is by making a **planned gift.**
