

Every single person has the opportunity to make a positive difference in their community.

Doug Woods was one such person who found delight in giving and made a lasting difference in his community. DMARC will forever be inspired by and grateful for his spirit of generosity.

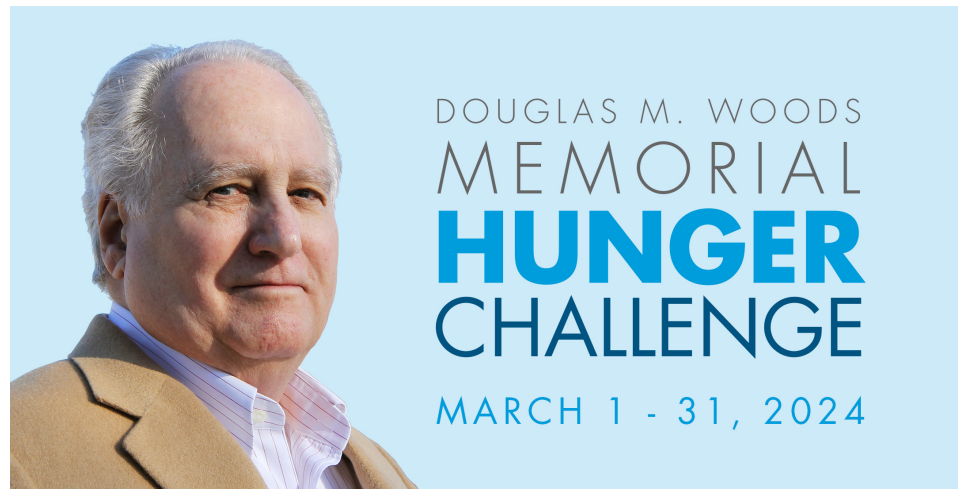

The goal – to create a challenge match that would not only help those facing food insecurity, but also encourage others to give generously. It was tremendously successful, and ten years later has raised a total of more than three quarters of a million dollars in support of the DMARC Food Pantry Network.

We are truly grateful to the family of Douglas M. Woods who has decided to carry on his legacy.

Take the challenge and make a gift.

Working together to meet basic human needs
for the greater Des Moines community.

The DMARC Food Pantry Network, established in 1976, consists of 14 permanently place food pantry sites, numerous mobile food pantry sites, and a no-contact delivery service. It is the largest and oldest food pantry system in Iowa. Pantry sites are located in West Des Moines, Ankeny, Johnston, Clive and Urbandale, with multiple sites in Des Moines.

Families can receive a monthly, free, three-day supply of nutritionally balanced food at any pantry site. It's not enough for us to just fill stomachs, we want to provide nourishing food to those we assist. Families can also receive additional 'Anytime Items' every day at pantries.

In calendar year 2023, DMARC assisted:

65,219 unique individuals
